Quantity of same type of silos, bins or rotary:			
Requirement	<input type="checkbox"/> unique	<input type="checkbox"/> repeated	<input type="checkbox"/> serial <input type="checkbox"/> prototype
Silo/Container			
Sheet thickness Cone :	mm	Sheet thickness straight Part :	mm
Material Silo:			
Isolation thickness:	mm	Isolation Material:	
Rips / stiffening	height: mm	thickness: mm	distance: mm
	by round Silos/ Containers	By rectangular Silos/ Container	
	diameter: mm	length x width: x	mm
Straight Part	height: mm	height:	mm
Cone	height: mm	height:	mm
Outlet	diameter: mm	square (LxW)/round (ø)	mm
Cone angle to vertical	°	Long side: °	Broadside: °
Rotating Drums for application the "Impulse Knocker QJxxx:			
Drum diameter:	mm	Thickness of reinforcement ting:	mm
Wall thickness Drum:	mm	Speed of Drum:	1/min
Temperature directly at the drum:	°C		
Product designation:			
Chemical formula:			
Bulk weight:	kg/dm ³	Spec. weight:	kg/dm ³
Grain Size:	mm	Temperature:	°C
Moistures:	%		
Flow condition	<input type="checkbox"/> good <input type="checkbox"/> mean <input type="checkbox"/> bad <input type="checkbox"/> adhesive	Bulk material angel:	Grad
Other characteristic of product:			
Disturbances material flow <input type="checkbox"/> Bridge Formation <input type="checkbox"/> Shaft formation <input type="checkbox"/> Rest at the Wall			
Where do the disturbances occur?			
Available compressed air:	bar	Ambient temperature:	°C
Atmosphere. humidity:	%		
Control voltage:	<input type="checkbox"/> AC <input type="checkbox"/> DC	V	Type of protection: IP
Explosion Protection Inside / Outside	Electrical equipment :	Non electrical equipment :	
Desired accessories:			
<input type="checkbox"/> Solenoid valve	<input type="checkbox"/> Welding plate	<input type="checkbox"/> Flasher relays	<input type="checkbox"/> Sound insulation hood
<input type="checkbox"/> Hand valve	<input type="checkbox"/> Maintenance unit	<input type="checkbox"/> Stepping relays	<input type="checkbox"/> Sound insulation plate
		<input type="checkbox"/> Electronic control	

Additional information - If required additional descriptions, drawings and sketch:
